K.I.S.S. Show Application

The purpose of this application is to inform show committees of the requirements and expectations to be addressed at shows in order to be approved for K.I.S.S. sidepot money. No show will have K.I.S.S. sidepot money added without this application filled out, signed by the show producer and returned to K.I.S.S.

1. Announcer will announce when a K.I.S.S. horse is running.
2. K.I.S.S. horses must be marked on the printed results sheet (if one is provided at your show) so people can see if their horse has been marked K.I.S.S. We have found this helps with error correction.
3. Full show results with ALL K.I.S.S. horses tagged/marked in any classes approved for a K.I.S.S. sidepot will be provided to KISS (Amy Youngblood or Kathy Finn) within 2 days of the show.
4. K.I.S.S. SIDEPOT MONEY MUST BE PAID ON A SATURDAY SHOW
